

Why Use Remind?

Remind helps you stay connected

Boardman School District is using Remind as a safe and fully monitored communication platform for students, teachers, coaches and our Spartan families. . Remind is a free messaging app that keeps families up to date with what's happening in the District.

Administrators can send messages to the entire district, or to one particular building. These quick, simple messages can help you and your student stay informed about:

- EMERGENCY NOTIFICATIONS
- SCHEDULE CHANGES
- BUILDING ALERTS
- TESTING INFORMATION
- AND MORE...

Remind is safe

- Personal contact information stays private. Phone numbers aren't exchanged between teachers, students, and parents.
- Messages can never be edited or deleted, so a **complete message history** is always available to monitor, if necessary.
- Students only receive messages from their teachers, coaches and administrators.

Remind is accessible

- Teachers can use Remind to reach students and parents on any device, including texting-only phones—no smartphones necessary.
- Students and parents can receive Remind messages by text, email, and push notifications on the app.

Signing up is easy

To join a Remind class, you'll need a class code from a teacher, coach, administrator, or organization leader. Each code is unique, but it always looks like this: **@classcode**.

Once you have a class code, there are three ways to join the class(Choose an option):

Option 1 Sign up for text notifications by texting **@classcode** to 81010.

Option 2 Go to www.remind.com/join/classcode

and follow the directions.

Option 3 Download the Remind app from the **App Store** or **Google Play**, sign up for an account with your email address, and enter the class code when prompted.
